

5+ Years in Global Physical and Digital Design

Sahar Nezhad | [LinkedIn](#) | [Portfolio Website](#)

I am a dedicated UX designer with a robust background in architecture, driven by a passion for creating beautifully functional and engaging user experiences. My journey from designing physical spaces to crafting digital environments has honed my ability to blend human-centered design with aesthetic and playful elements.

Experience

UX Designer | OCT 2024 - Present | Remote, Stockholm, Sweden

Hathi.ai

- Supporting Hathi.ai in developing user journeys and simplifying the product for users who are not data experts but need assistance with analysis.
